This office action is responsive to the Amendment and Remarks filed August 15, 2005. Claim 5 has been canceled. Claims 21-28 have been added. Claims 1-4 and 6-28 are pending in this application.

Response to Arguments

1. Independent claims 1 and 12 have been amended to more particularly point out and distinctly claim the instant invention with the addition of specific limitations.

Applicant's arguments, see pages 8-11 of the Response filed August 15, 2005, with respect to claims 1-4, and 6-20 have been fully considered and are persuasive. The rejection of claims as set forth in the first Office Action on the merits is hereby withdrawn.

2. Each of independent claims 21-28 have been added to more particularly point out and distinctly claim the instant invention. Applicant's arguments, see pages 8-11 of the Response filed August 15, 2005, with respect to newly added claims 21-28 have been fully considered and are persuasive.

Allowable Subject Matter

3. The following is an examiner's statement of reasons for allowance:

Applicants' arguments with respect to the amendments to independent claims 1 and 12 as distinguishing the claimed silver halide photographic light-sensitive material from that of the prior art of record are persuasive. Likewise, applicants' arguments with respect to newly added claims 21-28 as distinguished from the silver halide

photographic light-sensitive material of the prior art of record are persuasive. The Examiner has come to the opinion that the silver halide photographic light-sensitive material of the instant claims 1-4 and 6-28 is not anticipated by the prior art of record, and would have been unobvious to one of ordinary skill in the requisite art at the time the invention was made.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

4. Claims 1-4 and 6-28 are allowed.
